ADDENDUM NO. 2

Bid NO. 10-056

GENERAL MARKET BUS SHELTERS

October 7, 2009

The Regional Transportation Commission of Southern Nevada (RTC) herewith issues this addendum to the above-referenced project. Except as modified herein, all other terms and conditions shall remain in effect.

INVITATION TO BID

1. The solicitation due (opening) date remains 10/21/09, at 3:00 p.m.
2. IB.36 SUBSTITUTIONS:
Delete the entire section as written and replace with the following revised section, which is marked with an "X" and applies to this project:

IB.36 SUBSTITUTIONS

Specifications are intended to show kind and quality required and are not intended to be restrictive. Bidders may request "approved equals" (IB. 14) or substitutions in specifications as long as the proposed materials, processes or equipment is equal to, or exceeds the requirements stated in this document, without materially changing the technical specification. .. Bidders desiring to submit an approved equal or substitution request shall observe the following procedure:

1. Submit to the Purchasing Representative by 10/08/09 at 6:00 p.m., a complete description of the actual items being offered for consideration as an "or equal" substitution item, including manufacturer's brochures, pictures and/or dimensional drawings if available.
2. Proof, satisfactory to RTC, must be provided by Bidder to show that the product is equal to, or exceeds the bid specifications in design and performance.
3. Equivalent items may be subject to performance testing.
4. Any approved substitutions will be issued through an addendum to all known planholders.

QUESTIONS AND ANSWERS:

1. Can we provide an alternate bus shelter using precast concrete that will protect bus stop occupants from drivers while still maintaining the appearance of the shelters as designed?

Answer: Not for this bid. IB.37 Alternate Bids applies to this project and the box preceding this section in the bid document should be marked with an "X".
