RE: Administrative Modification to the Fiscal Year 2009 - 2012 Statewide Transportation Improvement Program (STIP)

Dear Ms. Klekar:

Pursuant to the jointly adopted Administrative Modification procedures, the Nevada Department of Transportation (NDOT) intends to modify the FY 2009 – 2012 Statewide Transportation Improvement Program (STIP). These changes are needed to update projects scheduled for the American Recovery and Reinvestment Act (ARRA) of 2009. Please find attached the new ARRA STIP sheets **Statewide 31, 32 and 33** that reflect these project modifications.

NDOT has received concurrence from the Regional Transportation Commission (RTC) of Southern Nevada, as stated on their April 15, 2009, and their April 27, 2009 letters, on this action. As of this date, these changes will not impact any other projects in the STIP. Please incorporate this letter, the letter from the RTC of Southern Nevada and the attached replacement pages in the adopted FY 2009 - 2012 STIP.

If you have any questions about this Administrative Modification please contact Coy Peacock at (775) 888-7124.

Sincerely,

/s/ Dennis Taylor
