Construction Update - Week of May 26, 2015

Howard Hughes Parkway to Paradise Road

Ongoing sewer work will continue with 24-hour traffic control restrictions. From 9 p.m. - 5 a.m. Sunday through Thursday, travel lanes will be restricted to one lane eastbound during night work. Two travel lanes will be open during non-work hours.

Fort Apache Road to Durango Drive - Eastbound

Bus stop construction activities will continue to restrict eastbound travel to two lanes from Fort Apache to Durango. These restrictions will be in place 24-hours a day.

Durango Drive to Rainbow Boulevard - Eastbound

Beginning June 1, bus stop construction work will restrict travel to one lane eastbound. These restrictions will be in place 24-hours a day and will last for approximately one week.

Temporary bus stops and/or delays associated with these lane closures may impact stops in this area.

Transit Route 202 Detours / Shuttle Service

Due to the long-term construction project on Flamingo Road east of Boulder Highway and resulting delays, Route 202 will be shortened and a shuttle will cover the service lost by the shortened route. This change went into effect April 24 and will continue for approximately 3 months.

As always, you can visit www.rtcnv.com/flamingo to get complete project information.

If you have any questions please contact Jade Thomson with Las Vegas Paving at 702-251-5800 or Kelley Mulroy with the RTC at 702-676-1623 / flamingo@rtcnev.com.

THIS PROJECT FUNDED BY FUEL REVENUE INDEXING

Generating \$700 million in funding for 199 transportation projects and creating more than 9,000 jobs for Southern Nevadans.
