

Flamingo Corridor Improvements

www.rtcshv.com/flamingo

Construction Update - Week of June 1, 2015

Howard Hughes Parkway to Paradise Road

Ongoing sewer work will continue with 24-hour traffic control restrictions. From 9 p.m. - 5 a.m. Sunday through Thursday, travel lanes will be restricted to one lane eastbound during night work. Two travel lanes will be open during non-work hours.

Durango Drive to Rainbow Boulevard - Eastbound

Bus stop construction will begin restricting travel to one lane eastbound for one week. Beginning June 8, eastbound travel will be restricted to 2 lanes for approximately 2 weeks. These restrictions will be in place 24-hours a day.

Temporary bus stops will be established as close to the regular stop locations as possible, based on site conditions. **Traffic delays in this area may result in delays along the entire route**, especially during the week of June 1 - 8.

Transit Route 202 Detours / Shuttle Service

Due to the long-term construction project on Flamingo Road east of Boulder Highway and resulting delays, route 202 will be shortened and a shuttle will cover the service lost by the shortened route. This change went into effect April 24 and will continue for approximately 3 months.

As always, you can visit www.rtcshv.com/flamingo to get complete project information.

If you have any questions please contact Jade Thomson with Las Vegas Paving at 702-251-5800 or Kelley Mulroy with the RTC at 702-676-1623 / flamingo@rtcshv.com.

THIS PROJECT FUNDED BY FUEL REVENUE INDEXING

Generating \$700 million in funding for 199 transportation projects and creating more than 9,000 jobs for Southern Nevadans.
