## Construction Update - Week of June 8, 2015

### Howard Hughes Parkway to Paradise Road

Ongoing sewer work will continue with 24-hour traffic control restrictions. From 9 p.m. - 5 a.m. Sunday through Thursday, travel lanes will be restricted to one lane eastbound during night work. Two travel lanes will be open during non-work hours.

### Durango Drive to Rainbow Boulevard - Eastbound

Bus stop construction will continue restricting eastbound travel to 2 lanes for approximately 2 weeks. These restrictions will be in place 24-hours a day. Temporary bus stops have been established as close to the regular stop locations as possible.

### Transit Route 202 Detours / Shuttle Service

Due to the long-term construction project on Flamingo Road east of Boulder Highway and resulting delays, route 202 will be shortened and a shuttle will cover the service lost by the shortened route. This change went into effect April 24 and will continue until early July.
