CONSTRUCTION UPDATE - WEEK OF FEBRUARY 22, 2016

Jones Boulevard to Decatur Boulevard

Shelter and sidewalk ramp reconstruction will require a right-lane closure in the westbound direction for approximately two weeks.

Hotel Rio Drive to Decatur Boulevard

Beginning Monday, Feb. 22, bus stop construction will begin in the westbound direction requiring a right-lane closure for approximately three weeks. Pedestrian flasher work will also require a right-lane closure in the eastbound direction for approximately two weeks.

Koval Lane to Paradise Road

Westbound bus stop and shelter construction will take place for three weeks. Three westbound lanes will remain open during construction.

Howard Hughes Parkway to Swenson Street

Beginning Sunday, Feb. 21, traffic signal work will begin requiring intermittent lane closures in both directions during overnight hours. This work will take approximately three weeks.

Flamingo Road & McLeod Drive Intersection

Clark County Water Reclamation District sewer work continues with a 24-hour road closure of northbound and southbound through traffic on McLeod Drive at Flamingo Road for approximately four weeks. Northbound and southbound traffic on McLeod is limited to right turns only onto Flamingo. Flamingo will have two eastbound and westbound lanes open during the four weeks of construction.

Eastern Ave. to Pecos Road

Median island removal will require a 24-hour left-lane closure in both directions. Work is expected to take approximately three weeks.

Pecos Road to Mojave Road

Clark County Water Reclamation District sewer work continues with a 24-hour westbound right-lane closure for approximately four weeks.

Eastern Avenue and Flamingo Road - Eastbound Bus Stop #940

Shelter pad removals, sidewalk and electrical work will take place for approximately three weeks.

Eastern Avenue to US-95

Electrical work will continue requiring intermittent right-lane closures during nighttime and daytime hours. These restrictions will be in place through February.
