## CONSTRUCTION UPDATE - WEEK OF FEBRUARY 8, 2016

### Tropicana Avenue Roadwork

The Nevada Department of Transportation is continuing work along Tropicana Avenue between Eastern Avenue and Pecos Road. During the week of Feb. 8, work will begin between Pecos Road and Sandhill Road. Restrictions will include lane closures during overnight hours with possible single-lane closures during daytime hours.

### Jones Boulevard to Decatur Boulevard

Median improvements, including concrete and paving work, continue requiring eastbound and westbound median lane closures for approximately one week.

### Decatur Boulevard to Arville Street

Median improvements, including concrete, paving, and the installation of pedestrian flashers, continues requiring eastbound and westbound median lane closures for approximately three weeks.

### Decatur Boulevard to Valley View Boulevard

Median concrete placement will require eastbound and westbound median lane closures for two weeks.

### Koval Lane to Paradise Road

Westbound bus stop construction will take place for three weeks. Three westbound lanes will remain open during construction.

### McLeod Drive to Mojave Road

Median island removal will begin on Monday with a left lane closure in both directions. Work is expected to take approximately three weeks.

### Flamingo Road & McLeod Drive Intersection

Clark County Water Reclamation sewer work will begin Tuesday, February 9, with a 24-hour road closure of northbound and southbound thru traffic on McLeod Drive at Flamingo Road for approximately six weeks. North and southbound traffic on McLeod is limited to right turns only onto Flamingo. Flamingo Road will have two eastbound and westbound travel lanes open during the six weeks of construction.

### Pecos Road to Mojave Road

Clark County Water Reclamation sewer work will begin on 02/08/16 with 24 hour west bound right lane closure from Pecos Rd to Mojave Rd for approximately six weeks.

### Eastern Avenue to US-95

Electrical work will continue requiring intermittent right-lane closures both during nighttime and daytime hours. After this work is complete, intermittent right-lane closures will occur from Sandhill to US-95. These restrictions will be in place during February.

### BUS STOP IMPACTS
