Construction Update - Week of June 29, 2015

Flamingo at Swenson Street

Sewer work will require 24-hour traffic control restrictions. From 9 p.m. - 5 a.m. Sunday through Thursday, travel lanes will be restricted to one lane eastbound during night work. Two travel lanes will be open during non-work hours.

Paradise Road to Koval Lane

Median construction will close the left lane in both the eastbound and westbound directions. Lane restriction will be in effect for approximately two to three months.

Rainbow Boulevard to Fort Apache Road- Westbound

Bus stop construction will restrict westbound travel to 2 lanes for approximately 2 weeks. These restrictions will be in place 24-hours a day. Temporary bus stops have been established as close to the regular stop locations as possible.

Transit Route 202 Detours / Shuttle Service

Due to the long-term construction project on Flamingo Road east of Boulder Highway and resulting delays, route 202 will be shortened and a shuttle will cover the service lost by the shortened route. This change went into effect April 24 and will continue for approximately 3 months

As always, you can visit www.rtcnv.com/flamingo to get complete project information.

If you have any questions please contact Jade Thomson with Las Vegas Paving at 702-251-5800 or Kelley Mulroy with the RTC at 702-676-1623 / flamingo@rtcnv.com.

THIS PROJECT FUNDED BY FUEL REVENUE INDEXING

Generating \$700 million in funding for 199 transportation projects and creating more than 9,000 jobs for Southern Nevadans.
