Construction Update - Week of July 6, 2015

Flamingo at Swenson Street

Sunday, July 5 - Thursday, July 9

From 9 p.m. to 5 a.m., Sunday through Thursday, travel lanes will be restricted to one lane in each direction on Flamingo Road and Swenson Street for sewer work. Two travel lanes will be open during non-work hours.

Monday, July 6

As a part of the RTC's Summer Heat Campaign, Hot 97.5 KVEG Brand Ambassadors will be out distributing bottled water to transit riders at the temporary transit stop located on Flamingo Road at Durango Drive between 2 p.m. and 5 p.m.

Tuesday, July 7

From 9 p.m. to 5 a.m., Swenson Street will be closed at Flamingo Road for sewer work. Flamingo Road will have single travel lanes open for eastbound and westbound travel.

Paradise Road to Koval Lane

Beginning Monday, July 6, current traffic lanes will be adjusted to facilitate construction activities in the median area. Starting on Monday, July 13, traffic control will have 24 hour lane restrictions during water line repair work. Please be alert to current traffic configurations as the work progresses.

Rainbow Boulevard to Fort Apache Road- Westbound

Ongoing bus stop construction will restrict westbound travel to two lanes. Restrictions will be 24 hours a day for approximately one week. Temporary bus stops are in place to minimize disruption for transit customers. Temporary bus stops have been established as close to the regular stop locations as possible.

Transit Route 202 Detours / Shuttle Service

Due to the long-term construction project on Flamingo Road east of Boulder Highway and resulting delays, route 202 will be shortened and a shuttle will cover the service lost by the shortened route. This change went into effect April 24 and will continue for approximately 3 months.

As always, you can visit www.rtcsonv.com/flamingo to get complete project information.

THIS PROJECT FUNDED BY FUEL REVENUE INDEXING

Generating \$700 million in funding for 199 transportation projects and creating more than 9,000 jobs for Southern Nevadans.
