## Construction Update - Week of July 13, 2015

### Flamingo Road at Swenson Street

Ongoing sewer work will continue with 24-hour traffic control restrictions. From 9 p.m. - 5 a.m. Sunday through Thursday, travel lanes along Flamingo Road and Swenson Street will be restricted to one lane in each direction. During non-work hours, two travel lanes along Flamingo Road will remain open.

### Koval Lane to Paradise Road

Beginning Monday, July 13, traffic control will have 24-hour lane restrictions during water line repair work. Please be alert to current traffic configurations as the work progresses.

### Paradise Road to Eastern Avenue

Beginning Monday, July 13, median construction will close the inside lane in both the eastbound and westbound directions. This closure will take place 24-hours a day for approximately two to three months.

### Riley Street to Buffalo

Beginning this week, new bus shelter installation will take place on the north side of Flamingo from Riley Street to Buffalo and will require various short-term traffic lane closures. Please use caution in the area.

### Transit Route 202 Detours / Shuttle Service

Due to the long-term construction project on Flamingo Road east of Boulder Highway and resulting delays, route 202 will be shortened and a shuttle will cover the service lost by the shortened route. This change went into effect April 24 and will continue for approximately 3 months.

As always, you can visit [www.rtcnv.com/flamingo](http://www.rtcnv.com/flamingo) to get complete project information.

If you have any questions please contact Jade Thomson with Las Vegas Paving at 702-251-5800 or Kelley Mulroy with the RTC at 702-676-1623 / [flamingo@rtcnv.com](mailto:flamingo@rtcnv.com).
