Information Boards

WELCOME

Welcome to the virtual public meeting!

- ▶▶▶ RTC is updating its Regional Transportation Plan (RTP), and we need your input.
- ▶▶▶ Please view the 8 boards located around the edge of the room (stations 1-8) and provide feedback using the tablets on the center table.
- ▶▶▶ Opportunities for feedback include:
 - An online survey (station 9)
 - An interactive comment map (station 10)
- ▶▶▶ Please also visit the project web page (station 11) and sign up to receive project updates!

Online Survey

RTC Regional Transportation Plan Update

The Regional Transportation Commission of Southern Nevada (RTC) is currently updating its Regional Transportation Plan, and we'd like your input! This survey will help us understand resident opinions and priorities related to our region's transportation system, and better plan for the future!

1. What transportation issue in the Las Vegas region is most important to you?*

- Environment and air quality
- Pedestrian and bicycle facilities
- Roadway maintenance
- Public transit
- Safety
- Traffic delay
- Other
