RTC to operate on Sunday transit schedule, participate in virtual parade celebration for Martin Luther King Jr. Day holiday

Community encouraged to tune in as our region recognizes this honored, civil rights icon

Click to Tweet: Heads up! In observance of #MLKDay on 1/18, @RTCSNV will operate on a Sunday schedule. Also, don't forget to tune into the MLK Day virtual parade on 1/18 at 10 a.m. as our community honors this celebrated figure. Stream for free: <https://bit.ly/3i98GSv> #RTCSNV

LAS VEGAS – For the upcoming Martin Luther King, Jr. holiday Monday, Jan. 18, the Regional Transportation Commission of Southern Nevada (RTC) will operate its fixed route transit system on a Sunday schedule. Transit customers can plan their trip using the free and easy-to-use [rideRTC app](#).

The RTC will also be participating in this year's Martin Luther King Jr. Day virtual parade at 10 a.m. Monday, Jan. 18, as our community celebrates the accomplishments of this civil rights icon. The virtual parade is accessible to everyone and can be streamed for free at <https://kingweeklasvegas.com/>.

“The RTC is proud to participate in celebrating the life and legacy of Martin Luther King, Jr.,” said M.J. Maynard, RTC chief executive officer. “We will continue to be a community partner in celebrating Dr. King’s achievements and others who support diversity, equity and inclusion for all.”

Watch the parade for free at <https://kingweeklasvegas.com/>!

As riders plan ahead for their trips this holiday, the RTC would also like to remind customers about two new app-based safety features, including contactless, cash-to-mobile payment and real-time bus capacity tracking. Both features are aligned with the [RTC's 14-Point Safety Plan](#). For more information, visit rtcsonv.com.

About the RTC

The RTC is the transit authority, transportation planning organization, regional traffic management agency and administrator of Southern Nevada Strong, the regional planning effort for the Las Vegas valley. The RTC's vision is to provide a safe, convenient and effective regional transportation system that enhances mobility and air quality for citizens and visitors. The RTC encourages residents and visitors to use a variety of transportation choices to help reduce traffic congestion, clean the air and improve the quality of life in Southern Nevada. For more information about the RTC and its major initiatives or to download its transit app rideRTC, visit rtcsonv.com and stay informed by [subscribing](#) to our [blog](#).
