

Resolution No. 582

RTC Board Resolution Supporting Local Small and Diverse Business Inclusion on All RTC-Funded Projects

WHEREAS, the Regional Transportation Commission of Southern Nevada (RTC) is committed to supporting economic vitality and ongoing job creation in existing and new areas of employment for generations to come; and

WHEREAS, the construction and infrastructure industry, and the local small and diverse businesses that support it, are essential elements of Clark County's economy; and

WHEREAS, the initial funding of Fuel Revenue Indexing projects built 225 roadway projects, created more than 8,000 jobs and put 78 local small businesses to work; and

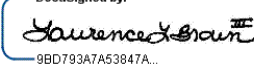

WHEREAS, Clark County's businesses, industries, elected officials and citizens supported the 10-year extension of Fuel Revenue Indexing on November 8, 2016; and

WHEREAS, funding from the RTC is being used to develop critical transportation infrastructure in Clark County; and

WHEREAS, all transportation infrastructure projects funded locally through fuel tax and sales tax dollars have the ability to provide contracting and job opportunities for local small and diverse businesses throughout Clark County; and

NOW, THEREFORE, BE IT RESOLVED, that the RTC Board of Commissioners encourages continued job and contracting opportunities for local small and diverse businesses, and the RTC Board of Commissioners adopts a local small and diverse business goal of 8 percent of construction and 2 percent of professional services dollars spent on each infrastructure project in Clark County, Nevada funded by the RTC.
