### OVERVIEW

The RTC and CCSD are collaborating on the 2022-2023 RTC Ride On program, providing high school students with an option to ride RTC transit to and from school, FREE of charge.

Instead of using traditional residential routes, students will use the RTC-OnDemand service to book rides to and from campus.

### COURSE STRUCTURE

#### What's RTC-OnDemand

RTC-OnDemand is our OnDemand Rideshare program for residents in West Henderson and the southwest valley. Riders easily book their ride through the RTC-OnDemand App when they want and where they want within the OnDemand Zone. Visit [www.rtcsnv.com/ondemand](https://www.rtcsnv.com/ondemand) for more info.

#### Booking a Ride

- Rides can be booked up to 7 days in advance.
- When booking your ride to school, select a ride that has an 'Arrives Before' time to the school that is no later than 7 AM.
- When booking your ride from school, select a ride that has a pick-up between of 1:15-1:25 PM or later.
- If you want to make a change to your ride, you must cancel the existing ride and book a new ride.
- Each student using a CCSD Ride On pass must book their own ride. Even if you want to ride together.
- Want a friend (that doesn't have a CCSD Ride On pass) to ride with you? Add them as an extra passenger when booking your reservation. Don't forget they will need to pay cash or through their account on the rideRTC App.
