

MV New Training Plan

Transportation Access Advisory
Committee Meeting
Wednesday - January 24, 2023

1

Onsite Training and Vehicle Familiarization

- Training Guide consists of Safety guidelines, Operating tools, Vehicle Features
- Conducted at IBMF location
- Conduct a one-hour training immediately following scheduled safety meetings
- Groups of 2-4 operators at a time
- Each operator will practice on the skills course
- Upon completion the operator will complete the driver questionnaire

2

Agency Locations of Concern

Designated BTWs and Road Supervisors will visit customer locations to determine:

- Safest pick-up/drop-off location at premises
- Ramp compatibility
- Bus maneuverability
